

WARREN

The Future Begins Here

METROPOLITAN SCHOOL DISTRICT OF WARREN TOWNSHIP

Dear Partners in Education:

We at Warren Central High School have always understood the importance of business, industry, and labor in the educational process. However, with busy schedules, time has just not been set aside to cultivate these relationships. You are a vital part of our students' education. We would like for you to become or continue to be a true partner in education. This can happen in a variety of ways. Please complete the survey below. Someone will contact you so that you can become involved in a way in which you feel very comfortable.
