### 2011 Michel Gassier Cotes du Rhone Villages Visan Cercius

92 pts. – Rhone Report

The stellar 2011 Cercius Cotes du Rhone Villages from Michel Gassier and renowned consultant Philippe Cambie is a fantastic follow up to the 93 point 2010 vintage and once again is one of the best values in Cotes du Rhone for the year.

Made from a blend of 85% Grenache and 15% Syrah, from 80+ year vines, that is aged for 6 months in concrete tank, the 2011 Michel Gassier Cercius is a lush, decadent offering that delivers loads of black raspberry and blackberry styled fruit that is intermixed with notions of licorice, rolled stone, roasted garrigue, and hints of leather on the nose. Layered, fresh, and beautifully textured, with a full-bodied, rich feel in the mouth that never seems heavy, this absolutely knockout Côtes du Rhône is a candidate for a multi-case purchase.
