

## PRESCHOOL/DAYCARE OPERATION SCHEDULE

### TUITION SUPPORT

The Warren Early Childhood Center is involved in a tuition campaign that supports the scholars and programming. Through donations from community members and partners in education, families that may not be able to afford the tuition of the center will receive monetary support to ensure a highly qualified educational start for your child. Please consider supporting this worthy cause in making sure each child in Warren Township has the opportunity to attend pre-school. For more information on learning how you can support a child at the center give us a call today at 317-869-4750.

#### Preschool Fees

**OUR SCHOLARS  
THINK, PLAY, AND  
EXPLORE AT THE  
WARREN EARLY  
CHILDHOOD CENTER**

When you look around the Warren Early Childhood Center you may see a different environment that is not “typical” of a school. The walls are covered with children’s conversations, photographs, documentation, and child created work. The classroom environment is designed to create a warm atmosphere that encourages learning

and creativity.

Our staff is inspired by practices and philosophies that lead us to observe children during play and in their conversations with peers to discover what interests them. The children, teachers and parents collaborate to guide children through in-depth investigations on a topic they find interesting.

The Warren Early Childhood Center is committed to academic excellence and making sure your child is prepared for their elementary education. Please consider the Early Childhood Center and Daycare for your child’s pre-school experience. The most important period is not the university studies, but the first studies, the time between birth and 6 years of age.

## CURRICULUM

Our center follows a curriculum based on the foundations set by the Indiana Department of Education with the Common Core Standards. We have aligned our classroom activities with the 8-Step process. Our scholars receive whole-group instruction, small group instruction, one-on-one support, re-teach and enrichment opportunities daily in their learning environment.

The Warren Early Childhood Center staff has developed an assessment tool that complements the Common Core Standards. Every three weeks, standards are assessed and new waves of standards are introduced to the scholars at ECC. These assessments are shared with parents throughout the year.

## PRE-SCHOOL DAILY ACTIVITIES:

**OUR CURRICULUM IS  
ALIGNED WITH THE  
INDIANA COMMON  
CORE STANDARDS  
AND THE WARREN 8-  
STEP PROCESS.**

- Math
- Language Arts
- Social Skills
- Small group projects
- Reteach activities
- Project work time
- Circle time (jobs for the day, counting

activities, singing, readiness routines, etc.)

- Puzzles and games
- Center time-Children choose and plan play activities
- Story and book time
- Gross motor play: indoors and/or outdoors
- Recall of the day

**"Experts tell us that 90% of all brain development occurs by the age of five. If we don't begin thinking about education in the early years, our children are at risk of falling behind by the time they start Kindergarten."**
