The purpose of the Buy Indiana Expo is to offer local companies the opportunity to expand their business by contracting with government centers. Under the "Buy Indiana" initiative, NSWC Crane solicits local businesses first for purchases not expected to exceed \$25,000. They are especially interested in opportunities for bankcard purchases for \$3,000 or less. Workshops will be conducted by NSWC Crane to educate vendors on how to do business with the Federal Government and how SBA can assist with your business needs.
