Parents,  
As the year goes on, we are finding that we are having quite a few bus behavior issues. Please remember and stress to your student/s that riding the bus is a privilege, not a right. If your child is suspended off the bus, it is the parents responsibility to transport that child back and forth to school. **Please keep in mind that after 4 bus referrals your student may be expelled off the bus for the rest of the school year.**

## I-Step Testing

Website

### COMING UP IN APRIL!!

State-mandated testing (ISTEP) will begin on Monday, April 26, and continue through Friday, April 30. These tests are given in **grades 3-5**. Our children and our teachers have been working very hard reviewing standards and preparing for the upcoming tests. We have planned and prepared for a very positive testing experience, however, as always, we need parent support to truly be successful. **Please, unless a child is truly sick, do not allow him/her to miss a day in the testing period.**

#### HOW CAN YOU HELP PREPARE YOUR CHILD FOR A GOOD TESTING SITUATION?

- \* Please give your child positive encouragement and support. Let him/her know how important it is for them to do their Personal Best!
- \* Enforce appropriate bedtimes
- \* Send your child to school with a good breakfast
- \* Schedule doctor/dentist appointments around testing schedules.

Arrive at school on time....this will enable the entire class to start testing on time and without interruption.

Please check out the Warren Web-site for all of the districts upcoming events and for valuable information regarding the changes taking place in Warren Township. Our web address is [www.warren.k12.in.us](http://www.warren.k12.in.us)
