### BUS ISSUES

Parents,  
As the year goes on, we are finding that we are having quite a few bus behavior issues. Please remember and stress to your student/s that riding the bus is a privilege, not a right. If your child is suspended off the bus, it is the parents responsibility to transport that child back and forth to school. We are asking you to help us keep your children safe on their way to and from school.

Will Power Wednesdays at Dairy Queen! The two eastside Dairy Queen stores are partnering with Will Power to raise additional funds. Visit the DQ at 10th and Post Road or DQ at German Church Road and Washington Street on Wednesday, April 14th to get your Buy One Get One Blizzard!

## United States Census 2010

10 Questions, 10 Minutes...To Define Who We are as a Nation

The United States Census 2010 is a count of everyone residing in the United States. All United States residents, both citizens and non citizens, must be counted. Results from the Census will determine funding for many programs including **schools**. Census forms will be mailed to all households beginning March 15. Please complete the form and return in the postage paid envelop. In late April, Census workers will begin visiting households not returning forms. For assistance with your questionnaire, the Warren Trustee's office (501 N. Post Road) will have a bilingual (English/Spanish) Census employee on site on Tuesdays, Wednesday and Thursdays from 8:00 am - 1:00 pm beginning March 23 through April 15. The Telephone Questionnaire Assistance Center, 1-866-872-6868, is open from 8:00 am through 9:00 pm. A Spanish-speaking operator can be reached at 1-866-928-2010. Additional assistance can be found at <http://2010.census.gov/2010census/> including assistance in other languages.

## I-Step Testing

### COMING UP IN APRIL!!

State-mandated testing (ISTEP) will begin on Monday, April 26, and continue through Friday, April 30. These tests are given in **grades 3-5**. Our children and our teachers have been working very hard reviewing standards and preparing for the upcoming tests. We have planned and prepared for a very positive testing experience, however, as always, we need parent support to truly be successful. **Please, unless a child is truly sick, do not allow him/her to miss a day in the testing period.**

#### HOW CAN YOU HELP PREPARE YOUR CHILD FOR A GOOD TESTING SITUATION?

- \* Please give your child positive encouragement and support. Let him/her know how important it is for them to do their Personal Best!
- \* Enforce appropriate bedtimes
- \* Send your child to school with a good breakfast
- \* Schedule doctor/dentist appointments around testing schedules.

Arrive at school on time....this will enable the entire class to start testing on time and without interruption.
